SUBJECT Daily Order of Business – April 6, 2011

Good morning –

Members, today we will follow the Daily Order of Business as required by House Rule 10.2. After we adopt the Special Order letter, we will move today to adopt the attached report from the Rules & Calendar Committee regarding structured debate on the third reading (on Thursday) on the GAA, Implementing Bills, Conforming, and Related Bills as follows:

- On HB 5001, debate will be limited to 90 minutes per side in 15 minute increments, total debate time not to exceed 180 minutes
- On CS/HB 5005, debate will be limited to 15 minutes per side, total debate time not to exceed 30 minutes
- On CS/HB 5007, debate will be limited to 10 minutes per side, total debate time not to exceed 20 minutes
- On CS/CS/HB 1405, debate will be limited to 25 minutes per side, total debate time not to exceed 50 minutes
- On CS/HB 5101, HB 5201, and HB 5303, debate will be limited to 12 minutes per side (per bill), total debate time not to exceed 24 minutes (per bill)
- All other House bills debated on Thursday will be limited to 3 minutes per side per bill, total debate time not to exceed 6 minutes per bill
- There will be no other debate on these bills, the strike-all amendments to the Senate bills, or the Senate bills on Thursday

There is one bill on third reading from last week, HB 101, which will be temporarily postponed to await arrival of the Senate companion bill.

The Special Order Calendar includes five groupings of bills, which will be handled as follows:

1. The first group of bills is our Finance & Tax package. I anticipate that these bills will be read a second time, amended (as applicable), rolled to third reading, and voted. After we have voted on

all five of these 5 bills, I will make a single motion to immediately certify all 5 bills to the Senate and ask them to either pass the bills or agree to include them in the budget conference.

2. The second group of bills is made up of trust fund bills. With the exception of HB 7205 and 7207, the Senate companion bills are also on the Special Order Calendar. I anticipate that these bills will be read a second time, the Senate bill will be substituted for the House bill, the Senate bill will be rolled to third reading, and voted. After we have voted on all of the Senate bills, I will make a single motion to immediately certify these bills to the Senate.
 - a. HB's 7205 and 7207 are the last two trust fund bills in group 2. I anticipate that these two bills will be read a second time on Wednesday, amended (as applicable), and remain on third reading until Thursday
3. The third, fourth, and fifth group of bills is made up of conforming bills, the implementing bill, and the GAA (our budget package). I anticipate that each of these bills will be read a second time on Wednesday, amended (as applicable), and remain on third reading until Thursday

Please do not hesitate to reach out to me or the staff of the Rules and Calendar Committee whenever we can be helpful to you.

Kind regards,

Gary Aubuchon, Chair
